

November 2013

A new group of practice areas

A team of lawyers specializing in audit, accounting and business process outsourcing, headed by Anton Klimanov, begins its work at Andrey Gorodissky & Partners.

The new group of practice areas will make it possible for the firm to provide comprehensive support to Russian and foreign businessmen, including legal, accounting, tax and organizational services.

Thanks to the opening of new practice areas, the firm's clients can have access to a whole specter

of legal, accounting, audit, consultancy and other related services which may be sought after by both newcomers to the Russian business environment and companies that have built a stable business in this country but need legal, tax or accounting advice.

In particular, the new team of specialists will make it possible for the firm's clients to get the following services:

Tax and accounting advice, tax planning

- Advice on accounting and bookkeeping in accordance with Russian standards;
- Tax declarations for individuals.

Comprehensive financial, tax and legal due diligence

Business process outsourcing

- outsourcing of accounting and tax accounting;
- outsourcing of payroll processing;
- tax accounting and contacts with tax authorities;
- personnel records management;
- transformation of accounting;
- organizational support to foreign startups in Russia: provision of a legal address, management and secretarial services, assistance in a search for qualified personnel, provision of equipped work places;

- organizational support to foreign personnel;
- filings for work permits for foreign citizens, advice in the getting of employment for highly paid specialists.

Advantages of the team of legal, tax and accounting consultants working under the AGP brand:

- High level of professionalism. The AGP key specialists have accumulated long experience in the corresponding fields and know the ins-and-outs of their respective areas;
- The broad specter of practice areas makes it possible to satisfy all demands of the clients;
- The uniform standards of activity. A communication among the firm's practice areas attains the objective of the many-sided and comprehensive servicing of the clients;
- The dynamically developing team maintains a high level of specialization in the corresponding practice areas;
- High servicing standards. Over two decades of successful experience of rendering advice to Russian and international clients operating in various branches;
- Vast experience in the implementation of international projects. Over 70% of the firm's clients are foreign companies or companies with foreign investment;
- A wide net of contacts among foreign advisers makes it possible to implement projects requiring involvement of foreign law;
- Competitive pricing policy.

Partners' comments

Andrey Gorodissky, Managing Partner

- The development of new practice areas will make it possible for the clients to get the whole range of services at one office, at competitive prices and of the quality corresponding to the highest standards of international firms and companies.

Anton Klimanov, Head of Business Process Outsourcing Practice Area

- The new practice area will ensure introduction of new types of outsourcing and development of the idea of business incubator as a promising form of servicing foreign business in Russia.

Valentin Moiseev, Head of Tax Practice Area

- Thanks to the appearance of a new team of specialists having considerable experience of audits, accounting and tax accounting, the firm's clients have the chance of getting qualified assistance in the minimization of tax risks before getting involved in any disputes with tax authorities.
